I Have a Little Dreidel

D **A7**
 I have a little dreidel I made it out of clay

D
 And when it's dry and ready Then dreidel I shall play!

A7
Chorus: Oh dreidel, dreidel, dreidel I made it out of clay

D
 And when it's dry and ready Then dreidel I shall play!

A7
Chorus: Oh dreidel, dreidel, dreidel I made it out of clay

D
 And when it's dry and ready Then dreidel I shall play!

D **A7**
 My dreidel's always playful It loves to dance and spin

D
 A happy game of dreidel Come play now, let's begin!

A7
Chorus: Oh dreidel, dreidel, dreidel I made it out of clay

D
 And when it's dry and ready Then dreidel I shall play!

Dreidel is a spinning top game. It has four sides:

- נ (Nun)
- ג (Gimel)
- ה (Hey)
- ש (Shin)

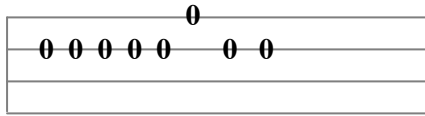

It is usually played with coins, chips, or gelt (chocolate coins). Collectively, these letters are interpreted as, "a great miracle happened there."

Before beginning, each player starts with 10 or 15 coins, and then each player puts one in the pot. Before spinning the dreidel, each player deposits a fixed proportion of the amount received into a kitty. One of the players spins the dreidel. The dreidel stops and lands with one of the symbols facing up and the appropriate action is taken:

- Nun - *nischt* - "nothing" - the next player spins
- Gimel - gantz - "all" - the player takes the entire pot
- Hey - halb - "half" - the player takes half of the pot, rounding up if there is an odd number
- Shin - shtet - "put in" - the player puts one or two in the pot

Each player is given a turn to spin the dreidel. The game may last until one person has won everything.

Sammy Cahn, J. Styne (c) 1945
