**C**                                    **G7**  
A long long time ago, there was a volcano  
**F**                                    **C**                    **G7**  
Living all alone in the middle of the sea  
**C**                                    **G7**  
He sat high above his bay, watching all the couples play  
**F**                                    **C**                    **G7**  
And wishing that he had someone too  
**C**                                    **G7**  
And from his lava came this song of hope that he sang  
**F**                    **C**                    **G7**  
Out loud every day for years and years

## Chorus 1 (boys)

**F**                                    **C**  
I have a dream I hope will come true  
**G7**                                    **C**  
That you're here with me, and I'm here with you  
**F**                                    **C**  
I wish that the earth, sea, and the sky up above

Will send me someone to lava

## Verse 2

**C**                                    **G7**  
Years of singing all alone turned his lava into stone  
**F**                                    **C**                    **G7**  
Until he was on the brink of extinction  
**C**                                    **G7**  
But little did he know that living in the sea below  
**F**                                    **C**                    **G7**  
Another volcano was listening to his song

**C** **G7**  
Every day she heard his tune her lava grew and grew  
**F** **C** **G7**  
Because she believed his song was meant for her  
**C** **G7**  
Now she was so ready to meet him above the sea  
**F** **C** **G7**  
As he sang his song of hope for the last time

**C** **G7**  
Rising from the sea below stood a lovely volcano  
**F** **C** **G7**  
Looking all around, but she could not see him  
**C** **G7**  
He tried to sing to let her know that she was not there alone  
**F** **C** **G7**  
But with no lava, his song was all gone  
**C** **G7**  
He filled the sea with his tears, and watched his dreams disappear  
**F** **C** **G7**  
As she remembered what his song meant to her
