

Verse 2

C **Cmaj7** **C7** **F**
Maybe next time I'll take what I have and leave all my dreams behind
C **Am7** **G**
The loneliest, the saddest place to be
C **Cmaj7** **C7** **F**
And all of my dreams were but thoughts in the dark, they cost me another kind
C **G7** **C**
I'm happy just to have her here with me

Chorus 1

Bb **F** **C**
Sunshine give me just one hour more
Bb **F** **C**
Soon I will be knocking at her door
C **Cmaj7** **C7** **F**
Last night I dreamt she'd forgiven it all and asked me back again
C **G7** **G7**
Maybe it will all
C **Cmaj7** **C7** **F**
Come true
C **G7** **G7**
Maybe it will all
C
Come truuuuuuue

Outro
