[Verse]

What if my dream does not happen?
Would I just change what I've told my friends?
Don't want to know who I would be
When I wake up from a dreamer's sleep

I need to know
That when I fail you'd still be here... oooo
Cause if you stick around I'll sing you pretty sounds
And we'll make money selling your hair

[Chorus] [single strum]

I don't care what's in your hair
I just wanna know what's on your mind
I used to say I wanna die before I'm old
But because of you I might think twice

I don't care what's in your hair
I just wanna know what's on your mind
I used to say I wanna die before I'm old
But because of you I might think twice
